REGISTERED DENTAL HYGIENIST

Fresno, California | 559.270.9953 | cp69sabrina@gmail.com

To Whom It May Concern,

Thank you in advance for taking the time to consider me for a potential position in your practice. My goal is to find a dental clinic where my work ethic, focus on personalized patient care, and ability to increase production can be both appreciated and utilized.

Finding the right clinician for your practice is important. The dental field has always been my passion. I began my career as a dental assistant in Germany, stayed after hours to help other staff members almost every evening, and even took impressions on my wedding day! After becoming a dental hygienist, I have fallen in love with patient care and making a difference with diverse case types and patients with special needs. If I were to consider my top traits as a hygienist, and as an individual, I would describe myself as exhibiting structure, competence, honesty and a strong work ethic. My expertise ranges from Pediatric Dentistry to Periodontal Laser Therapy.

I look forward to continuing to challenge myself and to enter into a work place that values the organization, diligence, and productivity that I can offer.

Again, thank you for considering me for your position and I hope to stay in touch with you in the months to come. To learn more about me, feel free to visit my website at www.SabrinaBills.com.

Sincerely,

Sabrina Bills
